MEMORANDUM FOR: Commanding Officer 

THROUGH: Executive Officer, Office of Training

SUBJECT: Claim for Compensation 

You have requested our opinion of the merits of subject's claim for reimbursement for the cost of replacing his eyeglasses, which were broken by a falling rafter in the course of his employment. Upon a factual determination by you that the accident occurred as a result of defective maintenance of the building, the claim may be paid. The facts which were presented to us, though scant, would seem to warrant such a determination. Payment, if made, should be from confidential funds.
